**2017 HB5 Community and School Engagement  
 Brenham ISD**

House Bill 2804 (HB 2804) of the 84th Texas Legislature added Community and School Engagement (CaSE) ratings to the state academic accountability system. Under the requirements established in TEC §39.0546, each district and campus must annually choose three CaSE components for this purpose. Brenham ISD and all campuses have chosen the following three CaSE components:

1. Fine arts;
2. Digital learning environment; and
3. Community and parental involvement.

Each district and campus must evaluate itself on the three selected components and assign a letter grade of A, B, C, D, or F for each and for overall CaSE performance. These letter grades will become part of the district and campus state academic accountability ratings.
